Year 3 and 4 Residential Camp Kernow

On Wednesday 3rd July – Friday 5th July some of the Year's 3 and 4 went to Camp Kernow. The camp works off the grid and so the children learnt a lot about sustainability and how to ensure that no material is wasted.

During camp we did activities such as learning survival skills, archery and wall climbing and abseiling. The children had a woodland walk where we met a storyteller who shared lots of stories about the trees and the forest. We also had a couple of visitors that taught us about bats. The children had a great time and despite little sleep during the first night, the children listened well and learnt a lot about the great outdoors!

M and M Productions

This week we have been fortunate to have had M and M Productions in to share their production of 'The Railway Children'.

Children across the school enjoyed a wonderful performance of The Railway Children. The children were enthralled by the brilliant show. They saw amazing acting, moving scenery and brilliant singing. The children were gripped and were the most perfect audience.

SUMMER FAIR

On Wednesday we are having our school Summer Fair between 2pm and 4pm. Your children will be able to attend during school hours with you if you collect them from the classroom and sign them out. If you are unable to attend, the children will remain in school. You will then collect as normal from the classroom and be able to visit the fair after school. If anyone would be available to help on a stall, please contact the school office. We would greatly appreciate any help!

There are many stalls and raffles with great prizes so please come and support the FOPS who are raising money for our school.
