

Reading: Whole-School Curriculum Progression Map

At Pondhu Primary School we use the Read Write Inc approach to teach phonics and early reading. In Early Years and Key Stage One all children follow the Read, Write, Inc programme which encompasses phonics, word reading, reading comprehension and writing skills. The programme aims to create fluent readers, confident speakers and competent writers. Groups of children in KS2 who still require this approach continue to be taught the Read, Write, Inc programme in small groups. Children are assessed every half term to accurately assess progress and re-group children based on their reading level. If a pupil is identified by Year 5 as still needing support, the Fresh Start scheme will be followed.
