

26th June 2015

Key Stage 2 Summer School 2015

Dear Parents/Carers,

After the overwhelmingly positive response to last year's summer school we would like to run another this coming summer holiday during August. Research suggests that for some children the longer summer break can lead to having to relearn aspects of the curriculum again in September resulting in reduced progress made across the whole academic year and attendance at summer school can help to reverse this effect. To start the planning process we need to gauge the interest levels.

The summer school day would start at 9:00 am with a breakfast club and then move into a numeracy and literacy activity with the morning finishing at 12:00pm. The afternoon will be either sporting, languages or music based with a finish time of 3:00pm. The school would be non-uniform and require pupils to bring a packed lunch.

August 11th, 13th, 18th and 20th are the proposed dates for this summer.

The school would be available for the current year 2, 3, 4 and 5.

If your child/ren would be interested in attending some or all of the sessions please circle the relevant dates below and return to your class teacher by **Friday 10th July at the very latest**.

There will be no cost for these sessions.

Yours sincerely

Nathan Cooper
Assistant Headteacher

I would like my child _____ to attend the summer school on the following dates:

Tuesday 11th August
Thursday 13th August

Tuesday 18th August
Thursday 20st August

Childs name _____
