Basketball

So far Pondhu have had a successful season in basketball. The Pondhu team (Elliot, Ben P, Jacob, Owen, Callum, Ben F, Jessica and Isabel) qualified for the Mid Cornwall games. We played Bishop Bronscombe, Goonhaven and Gorran. We then found out our results and celebrated as we won all our games coming 1st. Pondhu basketball team will soon play in the Cornwall school games finals in St.Austell on the 26th June.

Netball

The netball team made a great start to the season. They have been through the St Austell tournament and the mid Cornwall Qualifiers. Now we are through to the Cornwall school games finals which are yet to come. Our best score yet in the league was against Tywardreath where we won with the score of 15:0. We hope to continue with our sporting success in the School games. Well done to the netball team.

Year 3/4 football team

This year the 3 and 4 football team have been trying their hardest throughout the season. They have definitely improved as the season has gone on. Their final game against Tywardreath was probably the best they've played. With a 4-1 loss they still kept up the competitive spirit right until the end. Well done to everyone who represented the school.
