20.11.14

Dear minister

We are key stage 1 rights ambassadors at Pondhu Primary School. At our school we have learned about children's rights. We think that all children should know about their rights. On 'Newsround' we have learned that some children have to go to work instead of playing and that's not fair. Some children have to sleep on the streets. We want to stop this. We know that all children have the right to relax and play and have an education but not everyone can do this. We would like to know how you are going to make sure all children are safe, in nice homes, and happy?
Yours sincerely

Eleanor, Tyreece, Lily and Moses

(we have written this for all key stage 1 children)

Dear Minister,

We are the Key Stage 2 Rights Respecting Schools Ambassadors. At our school we have learned a lot about the United Nations Convention on the Rights of the Child and think it is very important for all children to know about their rights.

This is why we think everybody should know about their rights:

- So they can respect each other
- So they don't stop others having their rights
- Adults should know so they can protect their children
- To stop fighting and wars
- To stop problems like slavery
- The UK should help other countries know about their rights to keep other countries safe.
- So children know about difficult rights, such as being able to see relatives even if they can't live with them
- To make sure that we don't discriminate different groups.

We believe the Government should do more to promote the convention in schools. We would like to know how you will ensure that all children know about the Convention and how you can inform everybody about their rights?

Yours Sincerely,

Jack, Thomas, Elliot, Jessica, George, Harry, Georgia, Luke and Nathan
(on behalf of all Key Stage 2 children)
