Unit hub

Online safety: Year 2 :

Intended outcome of the unit

Pupils who are **secure** will be able to:

Explain what is meant by online information.

Recognise what information is safe to be shared online.

Explain why we need passwords and what makes a strong password.

Understand that they need to ask permission before sharing content online and explain why.

Understand that they have the right to deny their permission to information about them being shared online.

Say who they can ask for help with online worries.

Use some strategies to work out if online information is reliable or not.

Key Vocab

accepting	personal information
consent	pop-up
denying permission	pressure

Week 1	Week 2	Week 3	Week 4
Lesson 1: What happens when I post online?	Lesson 2: How do I keep my things safe online?	Lesson 3: It's my choice	Lesson 4: Is it true?
To decide which information is safe to share online.	To practise keeping information safe and private online.	To recognise when to deny permission online.	To recognise that not everything online is true.

Suggested Next Steps
Assessment - Computing Y3: Online safety

fake	private information
giving permission	real
offline	reliable
online	sharing online
password	source
permission	trusted adult
