Penrice transition
days
8th Full Governors
Meeting 5pm

21st Last Day of Term

STAR PUPILS

Congratulations to Merryn Reuben, Isabella, Lacey, Niamh, Chelsea and Brandon who are our star pupils this week.

RED NOSE DAY

Thank you to everyone who supported Red Nose Day. The children looked great and the total raised today was £140.98 so far.

ECLIPSE SPECIAL

On Friday 20th March there will be a partial solar eclipse and you are invited to join the children for a special eclipse breakfast from 8.15am. There will be bacon and sausage baps, cereals and juice to share. We will then all gather on the field to experience the partial eclipse. A warm coat and rugs to sit on would be very helpful. The children will be learning about this special event next week – so please ask them what they have been learning. There will be no charge for the breakfast so come along and enjoy!

FOPS NEWS

MOTHER'S DAY GIFTS: Thank you to FOPS for organising the Mother's Day gifts – I hope you all enjoy the carefully chosen gifts and being spoilt on your special day.

BINGO: Next Friday 20th March is the Easter Bingo. Doors open at 6.30pm and eyes down at 7pm. There will be a raffle. Donations of raffle prizes or Easter Eggs would be appreciated. All welcome.

ANNUAL REPORTS

If your child is in Years 1 – 6 you will receive their annual school report today. There are parent consultation evenings planned for the last week of term. You are encouraged to come and discuss your child's report and progress with their class teacher. Attendance will qualify as a parent event for those in receipt of pupil premium. Please return the appointment slip to the office.

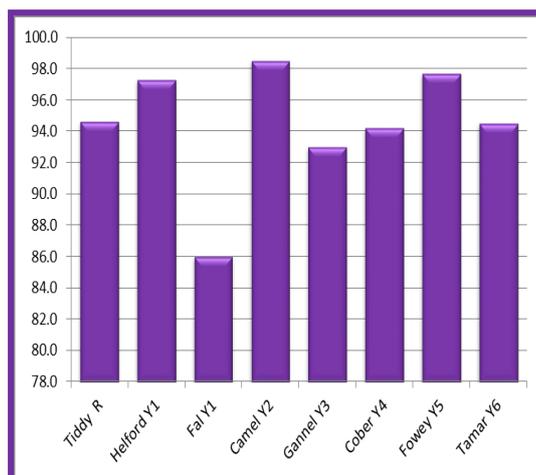

YEAR 6 SUCCESS

Congratulations to Year 6 – read their report at the end of the newsletter.

ATTENDANCE

Congratulations to River Camel, Y2 who achieved 98.5% attendance last week.

Year 6 Eco- House Success

As part of an Eco- project, Year 6 produced a model Eco-home, packed full of energy saving features. As a class we created a blog to document the process which was judged against entries from other schools, colleges and organisations across the UK and France. Our project, which is now destined for display at the Eden Project, was awarded a prize for energy efficiency. Well done to all of Year 6 for working so hard and thank you to Leslie Cornell for his expertise, time and enthusiasm in making the project such a success.

The house is currently on display in the foyer – please pop in have a look.
