- Consistency of teaching, discipline, scheduling
- Utilising outdoor space, Eco garden, play equipment
- Friendly atmosphere, ease of contact with teachers
- Small size (sorry, know this is changing but in my opinion, not a change for the better)
- Staff/Parent relationships - being greeted each day is brilliant, do not change this!
- Caring, nurturing and happy environment
- The holistic approach to teaching, not just books and lessons but that the whole of the child's life is taken into account
- Ability to find ways to deal with random problems and support both parents and children in a non-judgemental way
- The personal approach of the head/deputy head standing and waving people in/out of school, chatting with families shows a great love and commitment to Pondhu
- Schools curriculum, use of internet to be able to check on our child's progress
- Pupil and parent support

- After school activities
- Inclusive ethos
- No bullying problems during last 5 years
- Positive, can do attitude to ALL challenges

- Enthusiasm
- Communication
- Events

**Please list three things you think we could do better**

- I don't think there's anything you could do better! I personally believe you are at the top of your game!
- Extra time to eat lunch
- Make sure pupils are drinking, especially on hot days
- Have a permanent staff member to supervise the thrive room
- Parking although I realise this is out of your hands
- More P.E. lessons
- To expand Pondhu school for the interest of all children and teachers and staff
- Explain discipline steps better to new parents
- Extension activities for the individual
- Put all 5 inset days together, tag onto May's Half-Term like other schools in the area -keeps holiday cost down and families who rely on season work ie: can't take summer off

- More outdoor learning (forest school)
- Address language of parents in playground on arrival and collection (Reception, Year 1 - River Fal area)
- It would be nice if you were able to give more notice about various events eg: World Book day etc - if 'dressing up' etc is necessary although I understand this is not always possible
- More cooking lessons
- More practical lessons, ie: woodwork, sewing, car mechanics
- Extra curricular activities
- Time management for lessons
- FOPS events (obviously!)
- Change the menus: bored of roasts/fish and chips
- More swimming lessons/build an onsite pool
- An open breakfast club (20p per item)
- Maybe start planting fruit trees/veg plot and do cooking lessons
- More parking spaces, possibly giving up small strip of playing field??
- Tighter control of cars, speed limits and care of child safety by parent drivers
- Teach caretaker to smile 😊 (Just kidding)
- Stay open longer (I'm kidding)
- Regarding the introductory ½ days, introducing children from nursery to school - see if the schools out club could facilitate drop offs/collection around the ½ days to help full time working parents as ½ day can be a difficulty or alternatively give the option of full day
- More parking
- Nothing else
- Parking
- Don't sell ice creams on a Friday as there are clubs and some children miss out, sell on a Wednesday - No clubs
- Variety of after-school activities

- Sports facilities improved
- Bullying seems to be an issue
- I think after school clubs should be made available to Reception year
- Encourage children/staff to look after story sacks better
- Encourage parents to get children to school before the bell to set a good example

**Any other comments?**

- Brilliant school and staff, couldn't wish for my girls to be at a better school because they already are! You're fab! Thank you.
- Overall I'm very pleased with Pondhu School and its members of staff. I feel X is in the right place to be nurtured and encouraged as an under confident child. The children's behaviour in the school seems to be outstanding.
- Pondhu teachers and staff are very helpful and caring towards all children, parents and carers.
- In general I think Pondhu is an excellent school. The Teachers and Staff are friendly and approachable. I cannot fault it. (Though I do think the school dinners could be slightly better). My children can't wait to get to school in the mornings, which to me is a good sign that the school is a good one. Well done all of you.
- Lovely school.
- After school clubs are good - more choice for boys in Year 1 and 2 (not all like Ballet).
- More music activities ie: brass instruments, scheme set up via Oxfam and Ukulele.
- Very pleased with X's progress both in confidence and education, X thoroughly enjoys school and talks about what he has achieved on a daily basis.
- I think this is a fantastic school and would happily recommend to others. My daughter loves going here. I am impressed with all the teaching staff I have spoken to, they are all so friendly and helpful. Thank you for making my daughters 'schooling' fun and educational!
- We are very happy with the school which has gone from strength to strength over the last 17 years that our children have attended.
- More family learning opportunities like the eclipse morning. Heard nothing but positive comments about it

(except the bacon butties queue).

- Fife lessons in Year 3 - offered to volunteer, lots of the class very interested and enthusiastic about learning, but lessons often dropped to accommodate other activities. Disappointing that we only have half a term left and they have learned 3 notes! Can I offer more help with this?
- I love the children coming to Pondhu, I think it's a warm, vibrant school with many characters. I love it's eco ethos. I think it's totally inclusive (not just smart/naughty children getting attention).
- A little worried about double intake, the traffic this will bring. Great monitoring in progress now but feel that there is hardly room now for the traffic flow as it stands now.
- Fantastic school, so happy my autistic daughter goes to this school.
- Pondhu is an amazing school and I am grateful and privileged that my children go there.
- Fabulous school, where my child loves to attend, that says it all!
- Nope it's a very nice school, glad all three of my children are going to this school, but do call it unfair on premium children are allowed out of school time for holidays and school trips when non premium are not but that's not schools fault.
- X has made brilliant progress over the past 6 months and is thriving, this has been challenging at times, but we hope this continues with the support of the school.
- I don't have any concerns or comments, I feel the school runs well with lovely and caring staff.
- We are very happy with school and nursery.
