STAR LEARNERS

This week's Star Learners are Bailey, Emily, Jasmine, Lacey and Maddison. Thank you for your commitment and determination to be successful learners.

DAY FOR CHANGE Friday 13th May.

School Parliament have selected this as their chosen charity this term. Next Friday please send in any change that you have spare. There will be buckets in each classroom to collect the money and during the day the children will be creating a picture with the coins.

SCHOOL CLUBS

School is beginning to plan for the autumn term and I would be interested to hear your views on the clubs available for children at Pondhu School. I would really like to hear from the parents of children who do not currently attend a club and what it is preventing the children from joining the extra activities available. I would be grateful if you could complete and return to me the attached questionnaire.

FOPS NEWS

The next FOPS meeting will be on Tuesday 10th May at 9am in school. Please try to attend this meeting as there are the arrangements for the Discothon to finalise and it is now time to start preparing for the Summer Fayre.

READING

The first few weeks of the new reading initiative have been really successful. Thank you to everyone who has been completing their five reading sessions each week. It is good to see the children so enthusiastic about their reading.

YEAR 6 SATS WEEK

Next week is the Year 6 SATS week. I hope

all the children concerned have a good weekend and arrive at school on Monday ready to do their best and complete the tests. The whole of Year 6 have been working hard and I wish them well next week.

ATTENDANCE

Well done to Year 4, River Cober, who achieved 98.2% attendance last week.
