GOVERNMENT PERFORMANCE TABLES

This week saw the publication of the Department for Education Performance Tables for primary schools.

When comparing Pondhu Primary School with other similar schools the report states:

‘There is no statistically better performing school in this group that is within a 75 mile radius.’

We are all very proud of this achievement which is a reflection of the hard work, dedication and commitment of the whole Pondhu team – the staff, the governors, the supportive parents and of course the children of our school.
