19th January 2015

Dear Parents / Carers,

I am writing to inform you that one of our pupils, Maisy from River Helford Class, is currently in hospital and is very poorly.

Today all the children in school have been told the news by Mrs Parekh and we wanted to inform you at the same time. The children have been told that Maisy is poorly and that she is in hospital. She is being well looked after by doctors who are working hard to find out exactly the best way to make her better. She has an illness that can't be caught by other children nor was it caused by anything that anyone might have done. Maisy won't be in school for quite a while so her class will be sending her cards and letters and keeping in touch.

Maisy's sister Tia will continue to attend our school and we ask that the children respect her privacy at this difficult time by not asking questions. She will be very well supported by staff.

We will be providing further information and updates as we know more.

Thank you for your help and understanding with this matter.

Yours sincerely,

Mrs D Tregellas
HEADTEACHER
